## **Invitation to the IT SECURITY 2007 workshop**

**On the 22<sup>nd</sup> of May 2007**

Berlin, 19.04.2007

Dear Sirs,

We like to invite you to the world class **IT SECURITY 2006**, the world leader security and e-government workshop taking place from **20<sup>th</sup> of May**, at Damascus Four seasons.

AGT partnership with Europe's and international leading IT- security companies (security Made in GERMANY), will introduce to you state-of-the-art solutions in following topics:

1. How can your organization achieve a higher security level with PKI(Root CA)
2. How simple is to tap your communications / high level encryption network
3. How secure is your Traditional Firewall? They only 4+CC EAL FW
4. How hackers can win accesses to your Network
5. Cyber Crime Investigations and evidence gathering
6. The only secure on way Real-time Electronic Data Transfer
7. The most secure data centre

It would be an honour for us, to welcome you in Damascus Four seasons.

Yours faithfully

Anas Chbib  
Managing director  
AGT Advanced German Technology GmbH.
