Subject: RE: AGT Security Workshop

Good news!

Will get the visa on time :-)

My new schedule:

12 May: AMS - Dubai
13 May: Workshop Abu Dhabi
14 May: Dubai - Cairo
15 May: Workshop Cairo
16 May: -
17 May: -
18 May: Cairo - Ryiadh
19 May: Workshop Ryiadh
20 May: Ryiadh - Damascus
21 May: Workshop Damascus
22 May: Damascus - AMS

Please note that I would very much like to promote our Data Diode and FoxReplay product since we have no staff available at the moment to set up forensic labs. Can you make a change in the agenda please to change forensic lab for Fox Replay?
 I'll arrive in Dubai on the 13th in the morning, so please make sure that I give my presentations at the end of the day. I cannot change this since I'm not flying with KLM but BA. Also, do I need to rent a car to travel from Dubai Airport to the Emirates Palace in Abu Dhabi or do you have other arrangements?
 Will you take care of the hotel reservations? I will book the extra
flights with Emirates airlines myself.

Kind regards,

Matthijs
