Subject: Training date confirmation and revised proposal

Dear Aghi,

I hope you are well.

I promised to get back to you this morning with regards to your proposal to arrange for the forensic training at 24-26 June in Egypt. As I mentioned in my voicemail, this is not a problem. Please confirm these dates and return the signed orderform (Proposal Approval) included in the attached revised proposal. After I've received the signed order, I will send you a copy of the passport of the senior forensic IT expert that will be present in Egypt (as Anas requested).

Given the limited time available, it is advisable if the client candidates beforehand provide questions or topics they would like to be covered in the training. Furthermore, as agreed earlier, AGT will arrange for the accommodation (including payment) of the senior forensic IT expert.

If you have any further questions, please let me know.

Best regards,
