Hi Anas,

Thanks for the e-mail. I've left a couple of messages on your brother's voicemail, I take it that you haven't heard them yet! No problem, I have the answers to your questions stated below.

1. Training Project

For now we are focussing on selling our Datadiode and FoxReplay products internationally. So we want to skip the training opportunity and hopefully we'll be able to add training to our international portfolio soon.

2. Workshop tour

I will join you on the tour! :-). Thanks for the gesture, I confirm that we'll attribute EUR 500 per location, EUR 2000 in total.

Can you please take care of visa arrangements for me and the hotel stays? If you don't have an agreement with the hotels I will take care of it myself, but please let me know. I'll be using the following schedule:

Date

...

3. Contract and NDA

The NDA has been returned to you the same day we've received it. Please let me know if you haven't received it yet. The reseller agreement I hope (...) to have in definitive format next week.

4.

Kind regards,
